

What others like you are saying . . .

In an ever-changing world, Time of Grace Ministry delivers the same unchanging truth of Jesus' love for all people.

Susanne

Your ministry and words of hope and inspiration do more than you are aware of, helping me through this time in my life. . . . You are a blessing to me sent from God.

Greg

My husband and I start each day with your devotionals. They have spoken to us in so many different ways. . . . We have found peace, comfort, instruction, but most importantly hope and joy!

Kim

My wife and I love being able to follow Grace Talks from here in South America. Thanks to YouTube's auto-subtitle feature, we've been able to share a couple of video devotions with friends here in Spanish.

About Time of Grace

Time of Grace is an independent, donor-funded ministry that connects people to God's grace—his love, glory, and power—so they realize the temporary things of life don't satisfy. What brings satisfaction is knowing that because Jesus lived, died, and rose for all of us, we have access to the eternal God—right now and forever.

Tristan

Thank you so much! I was worried about change and whether God would help me. I was listening to music when an ad popped up about Grace Talks and I clicked on it. It brought me to these videos—and I feel so relieved. Thank you again.

Lois

Time of Grace is my go-to every day. Many times I listen to the same message several times a day if I am having a difficult day. I thank God for loving me unconditionally.
